ASSOCIATED EVENTS

Autoservice Expo 2019, a traditional exhibition of automotive equipment and services for vehicle repair facilities, will be held during GasShow 2019. Moreover, there will be held international industry conference, workshops, training sessions and product premières. As a result, all these events will attract even greater numbers of visitors and vendors.

MEDIA AND PATRONAGE

The event is to take place under the patronage of the Ministry of Energy of the Republic of Poland, the Motor Transport Institute, the Marshall of the Mazowieckie Voivodeship, industry organizations, and media organisations with nationwide and foreign coverage that provide the required level of publicity for the event.

NETWORKING

A specially designated venue where vendors, conference participants and visitors to the fair can hold pre-arranged business meetings. The free dedicated GasShow App provides a convenient way to set up meetings and establish relationships.

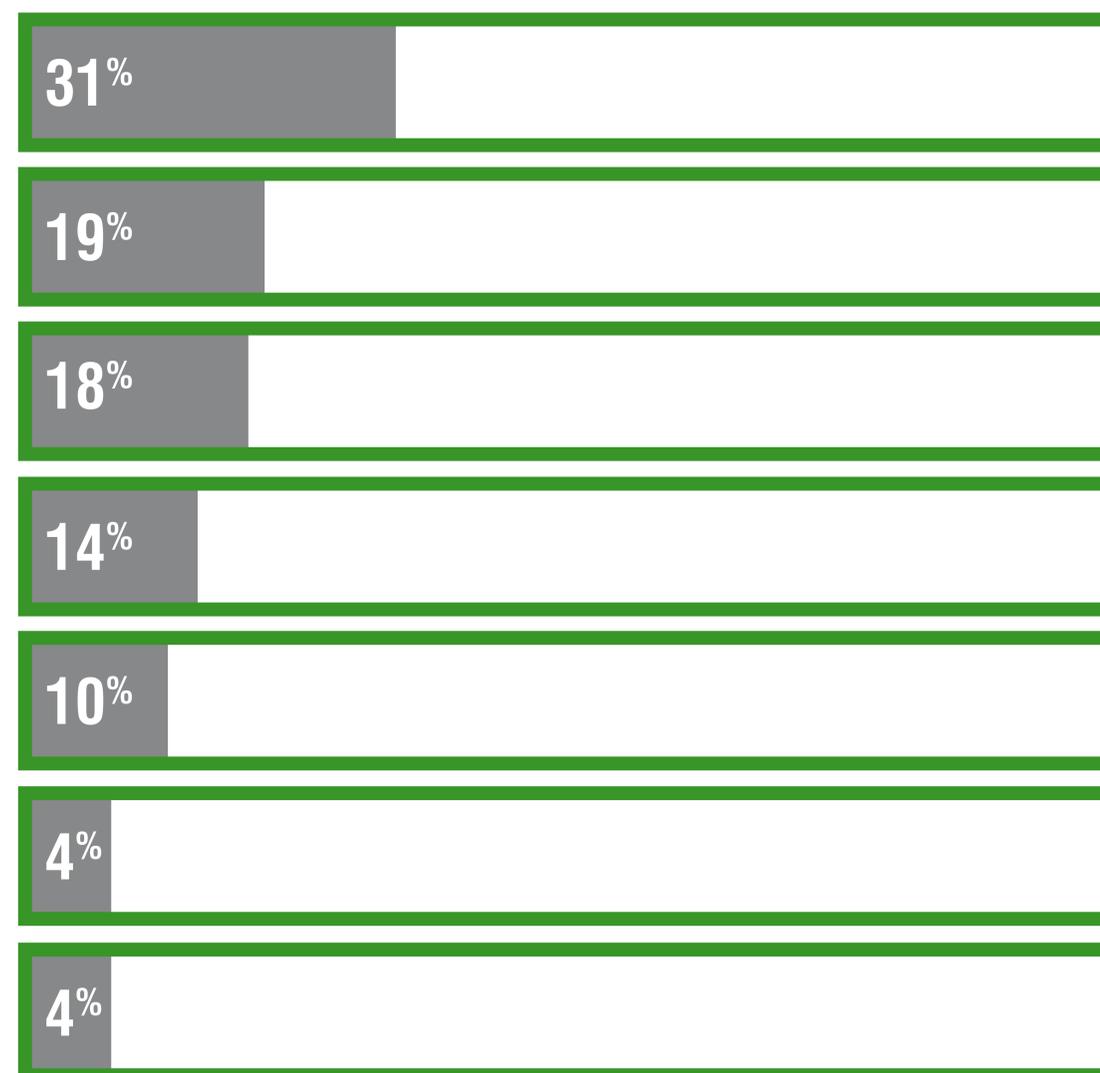

AUDIENCE

Professionals in the LPG, CNG and LNG sector, representatives of industry organizations and public administration, investors, operators of service stations and vehicle repair facilities, as well as private users interested in the solutions presented by the vendors.

Participants' profile*

| |
|--|
| Owners of vehicle repair facilities, including those assembling and servicing LPG, LNG and CNG installations |
| Producers and distributors of automotive gas installations, as well as equipment providers for vehicle repair facilities |
| Operators and owners of service stations, including autogas filling stations |
| Others interested in the industry (e.g. private users, vehicle fleet operators) |
| Companies providing equipment and services for LPG and CNG filling stations, distribution and storing facilities |
| Media, international industry organisations, government institutions |
| LPG distributors, transport and logistics companies |

* Data compiled based on statistical information from the previous edition of the fair.

TECHNOLOGICAL PARTNER

The logotype of your company displayed in all communication channels (websites, advertising and informational materials, billboards, press releases, ID cards, and displays during the event)
Exhibition area of 60 m²

Access to a smaller conference room (holding about 25 people) for private meetings, providing a level of peace and quiet, technical equipment and convenience that might be difficult to achieve at your stall

Possibility of displaying advertising on the conference and information screens during the event

Possibility of sending information about what your company offers to recipients of the GasShow News newsletter (about 8,000 active recipients)

Possibility of publishing posts via FB channels: www.facebook.com/gasshowpoland and www.facebook.com/autogasmotorshow

Advertising in the official fair catalogue (full page)

Expert presentation given during an event-associated conference

Possibility of displaying materials / advertising items (roll-ups, banners, etc.) on the premises outside your stall

Possibility of advertising lanyards and/or bags to be handed out to all participants and visitors of the event

Possibility of organizing a contest for visitors with the prize being, for instance, a voucher of a certain value to be used after the fair. Such a contest would be widely promoted and publicized

20 free VIP-entry passes for the whole event

WHOLE PACKAGE: EUR 13,900
